

Alternatives to Google

Google is not the only Search Engine available on the Web. Others can be easier to use, and fun!

Review this short video for a brief overview of some alternatives:

<https://youtu.be/UqXUsX69CNE> (Resource #F307 on the Student Research website)

Video is 1:08 min. Produced by Curtin University Library.

Sweet Search: smaller number of hits; sites are evaluated by experts
